Undergraduate Certificate Enrollment Form

This form is for undergraduate students who want to enroll in an IST certificate program offered at University Park. An undergraduate certificate acknowledges an area of specialty or grouping of courses that enhance the student’s degree program. Certificates are not certifications. Certifications are only awarded by governmental and professional agencies.

Credit courses offered for a certificate require a grade of C or higher and minimum of 6 and a maximum of 30 credits are required. All students who enroll in certificates must be defined as Penn State students. Descriptions of approved undergraduate credit certificates are published in the University Bulletin: [http://bulletins.psu.edu/undergrad/programs/certificates/](http://bulletins.psu.edu/undergrad/programs/certificates/). Currently, College of IST certificates are offered in the following areas (which can be searched in the Bulletin under these names): Enterprise Architecture.

Please complete the form below and return to Cindy Bierly (cbierly@ist.psu.edu) in the Associate Dean’s Office for Undergraduate Studies, 332 IST Building, to be added to the certificate program. **Students are responsible for tracking the progress of the certificate and notifying Cindy Bierly upon completion. Once approved, the certificate will be recorded on the student’s transcript.**

Student Name: ________________________________________________________________

Student ID #: 9-_________________________ Student PSU E-mail: __________________________

Name of Adviser: ____________________________________________________________

Name of Certificate: __________________________________________________________

Current Semester: ____________________________________________________________ # of Credits Required: __________

Enter the required courses in the spaces below:
