

SUPPORT OF OPTION COURSES

Major: Information Sciences and Technology (*All options*)

- Select nine credits if you are pursuing the Design and Development option
- Select 12 credits if you are pursuing the Integration and Application option or the People, Organizations, and Society option
- No more than six credits can be at the 200 level or below
- Three credits or more must be at the 400 level
- Courses taken as part of a minor may be used to meet the support of option requirement
- Not all courses are offered every semester
