Recommended Minimum Computer Configuration

Below are the recommended minimum computer configuration requirements for IST Students enrolling summer 2019 semester and after:

- For Windows PC's: Windows 10 or higher operating system
- For Apple Computers: macOS 10.10 or higher operating system
- Intel Core i3 or greater processor
- 8 GB RAM
- 240 GB Hard Disk
- Network Connectivity: Wired Ethernet/Wireless Ethernet (laptop)

Please note that the College of IST's recommendations exceed the general recommendations for Penn State students. The college's advanced requirements are designed to equip IST students with the computing power and capacity needed to complete class activities and projects.
